

ATLANTIC EURO-4 VW / AUDI 5W-30

PRODUCT DESCRIPTION

Atlantics Euro-4 VW / Audi 5W-30 Fully Synthetic Engine Oil has been specially designed to meet the stringent requirements of Volkswagen and Audi. It has been formulated to meet VW / Audi Specifications where VW 504 00 or 507 00 is required. It is also suitable for passenger vehicles and light diesel engines where ACEA A3, B3 and B4 are required. The product also meets BMW LL03. Atlantics Euro-4 VW / Audi 5W-30 Fully Synthetic contains specially formulated additives designed to reduce long term blocking of Diesel Particulate Filters.
